Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Applicant has filed this Request for Continued Examination in order to correct an inadvertent error in the claims. This Request is being filed after receipt of a Notice of Allowance (mailed December 16, 2005), but before payment of the Issue Fee.

In Applicant's response filed November 28, 2005, Applicant's U.S. attorney inadvertently cancelled independent claim 32, instead of independent claim 30 (and dependent claim 31). In that response, Applicant relied upon two of its priority applications having filing dates prior to the Fujii reference (JP 08-288069 A).

Applicant respectfully requests allowance of the now pending claims 26-29 and 32 which Applicant respectfully asserts are fully supported by the following two priority applications:

- United Kingdom GB9615883.7, filed July 29, 1996
- United Kingdom GB9619382.6, filed September 17, 1996.

Applicant intends to pursue prosecution of the now cancelled claims 30-31 in a continuation application.
